**AQUA ART MIAMI TO KICKOFF ITS 16TH EDITION
AT THE AQUA HOTEL ON NOVEMBER 30TH**

Miami Beach's favorite boutique fair presents a diverse roster of 41 international galleries showcasing young, emerging and mid-career artists.

Miami, FL, October 2022 – Aqua Art Miami, presented by Art Miami, will host its 16th edition at the Aqua Hotel in Miami Beach kicking off on November 30th with a VIP preview before opening to the public December 1st through December 4th, 2022. The energetic fair has become the destination for influential collectors and art professionals, many of whom migrate from Aqua's sister fairs, Art Miami and CONTEXT conveniently nestled between the Venetian and MacArthur Causeways, and Art Basel Miami Beach, which is located just a few blocks away.

Aqua is known for presenting vibrant and noteworthy international art programs with a particular interest in supporting young and established galleries with strong emerging and mid-career artists. This year, Aqua Art Miami will be collaborating with Black & White Project Space, a non-profit art organization run by Ukrainian National Tatyana Okshteyn to provide a space in the courtyard of the Aqua Hotel in support of "Buy An Icon, Save A Life In Ukraine," a conceptual project by Ukrainian artists Sonia Atlantova and Olexander Klimenko.

Aqua's unique environment – in a classic South Beach hotel with spacious exhibition rooms that open onto a breezy, intimate courtyard – has become a favorite gathering spot for collectors, curators and art lovers to discover fresh talent and acquire new works while exchanging cultural ideas and forming meaningful connections.

"It is with great pleasure to bring Aqua Art Miami back to Miami Art Week this year. Aqua has always been a staple in the roster of fairs during one of the most important weeks for contemporary art in the US. As the new director of the fair, I am confident this year's edition will not disappoint! We have a diverse roster of 41 international galleries from both established and up and coming galleries that are new to both the fair and the Miami art market" says Cordelia de Freitas.
